

Carnsore Wind Farm Announces 15-year extension planning application to Wexford County Council

15th June 2021

Hibernian Wind Power Ltd (a wholly owned subsidiary of ESB) are delighted to be able to announce their intention to apply to Wexford County Council, for a 15-year lifetime extension, to Carnsore Windfarm. The planning application shall be lodged in the coming weeks. The plans involve no significant changes to the original development that was commissioned in 2002. The 11.9MW windfarm is capable of powering 7,600 households. The local community shall continue to benefit, from the continued operation, of Carnsore, Community Benefit fund. The current fund €11,900 per annum has been in existence since 2014. The planning application can be viewed online at the following:
